

Room Hire at Centenary

As well as our wonderful Main Chapel, Centenary has a range of ancillary rooms at the rear of the premises that can be used flexibly to accommodate a wide range of activities. Centenary are keen to see these spaces used to benefit the Boston community and would love to hear from your group if you would like to learn more about the spaces we have to offer. We offer reduced rates for Charities.

Main Chapel

The Main Chapel provides a great space for hosting large events in auditorium style. With its spacious balcony, the Chapel can hold up to 1,200 people.

The space at the front can be adapted to create space for choirs and orchestras, and we also have a stage that can be set up (1.25m x 5m).

The Main Chapel boasts the wonderful pipe organ and also has a grand piano in situ.

Central Hall

Central Hall is the largest of our ancillary rooms for hire. As well as the main hall area it has a balcony which can be used for further seating, and a raised stage for performances.

The room layout can be flexible, seating 80 on the ground floor in an auditorium format, or 40 seated in a café style with tables and chairs.

Central Hall has an adjacent, well equipped kitchen that can be used for beverages with the hire of the Hall, or can be hired separately for larger catering functions.

Lunch Club

The Lunch Club is our second largest space and can comfortably seat 20 in a classroom or boardroom style. It would also provide a good space for space for any art, craft or fitness activities.

Little Chapel

The Little Chapel provides a comfortable, private space good for smaller meetings (approx. 30) and can either be used as set out with rows of chairs, or chairs can be moved to more informal format. There is a piano in the room.

Kitchen

The Kitchen is located off the Central Hall. It is equipped with a large oven, commercial dishwasher and commercial catering facilities. Our kitchen is currently graded at Food Hygiene standard 5 by the Boston Borough Council. The Kitchen facilities are available for use with the Central Hall booking for beverages or it can be booked separately for larger catering events. If you wish to hire the kitchen for catering activities, we do ask that users hold a Food Hygiene Certificate.

The Shell

The Shell provides a cosy café environment for smaller groups, with drinks facilities available in the room.
